

Erin Bell netball clinic to assist the RSB

Thunderbirds and Diamonds netballer, Erin Bell, will be conducting a clinic for Matrics Netball Club on Tuesday June 28, with proceeds assisting the Royal Society for the Blind.

Erin, an official RSB Ambassador, will be assisted by several of her Thunderbirds team mates as they pass on their experience to approximately 250 Matrics players.

“Nothing gives me greater pleasure than sharing what I have learned throughout my netball career to motivate the next generation of potential Thunderbirds and Diamonds players”, says Erin. “To combine a clinic with the chance to raise funds for the RSB, an organisation I am extremely passionate about, is an absolute joy”.

Activity commences at 5:45pm and continues to around 8:00pm on Tuesday June 28, at Matrics Netball Club (corner Anzac Hwy and Greenhill Road).

Interviews and photo opportunities with Erin Bell to discuss the RSB Clinic and more general netball topics, prior to, or during the event, are welcome.
